Abstract

NIBOR: Norwegian Interbank Offered Rate

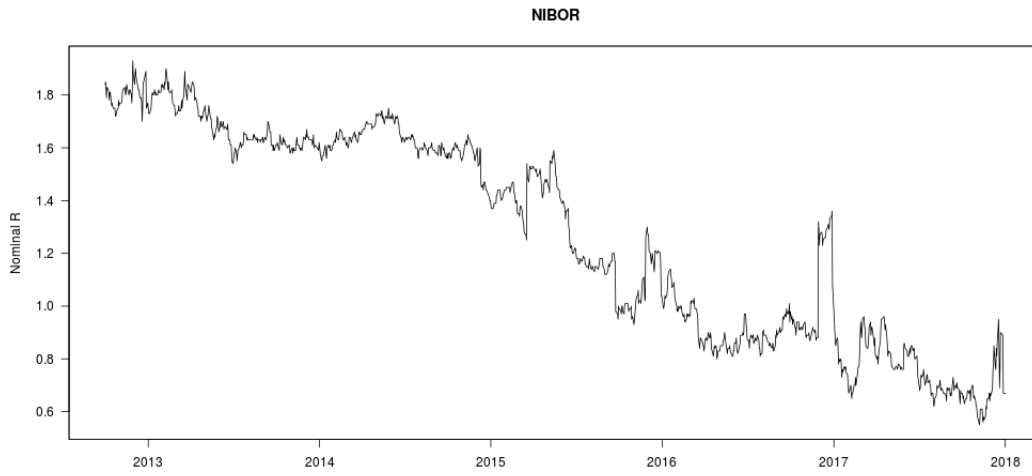

1 NIBOR

The Norwegian equivalent of LIBOR.

Set in a similar manner to LIBOR, as an average of quotes provided by financial institutions.

In 2013 the fixing of the NIBOR was set moved to the Oslo Stock Exchange. On their homepage they provide the fixing, as well as the quotes by the member institutions.

The NIBOR left the OSE in 2020.
